In response to the Office Action dated September 16, 2002, applicants respond as follows:

REMARKS

In the last Office Action, the Examiner indicated that the application is in condition for allowance except for formal matters and that prosecution as to the merits is closed in accordance with the practice under Ex parte Quayle. The Examiner objected to the amended heading of the original patent submitted in the response filed October 18, 2001 because it incorrectly lists July 7, 1997 as the date of Japanese Priority Application No. 9-192795.
